The use of Class 1 Ozone depleting substances; nor the use of Mercury, Mercury compounds or Mercury Bearing Instruments, and/or equipment, have not been used in the design, testing, manufacture, assembly, integration, handling, packaging of this product.

The parts contained in this shipment have been manufactured and inspected in accordance with TSO-C148. The conditions and tests required for TSO approval of this article are minimum performance standards. Aircraft fasteners approved under this TSO are not necessarily interchangeable with other aircraft fasteners approved under this TSO. Fasteners of similar dimensional properties may have widely varying performance and metallurgical properties. Substitution of parts may only be done if acceptable to or approved by the Administrator.

The Items(s) which are identified within this certification have been reviewed and verified for compliance to those requirements specified within DFARS 252.225.7014 ALT 1 and DFARS 252.225.7009

The parts contained in this shipment meet the requirements of DFARS part 252.225-7014, ALT 1, Preference for Domestic Specialty Metals.

The parts contained in this shipment have been manufactured and inspected in accordance with TSO-C148. The conditions and tests required for TSO approval of this article are minimum performance standards. Aircraft fasteners approved under this TSO are not necessarily interchangeable with other aircraft fasteners approved under this TSO. Fasteners of similar dimensional properties may have widely varying performance and metallurgical properties. Substitution of parts may only be done if acceptable to or approved by the Administrator.

CERTIFICATE OF CONFORMANCE

LISI AEROSPACE - The Monadnock Company does certify that all parts and materials on this shipment in all aspects conform to the requirements of applicable drawings, specifications and/or standards as set forth in the above referenced purchase order. All inspection records, physical and chemical test reports and special process certifications (if applicable) are on file at LISI AEROSPACE-The Monadnock Company and are available for review and examination upon request.
